For office use - date card(s) issued: _____

The Credit Card has been designed to accommodate the recertification of any or all Lifesaving Society Instructor and their respective Examiner certifications: Swim Instructor, Lifesaving Instructor, Standard First Aid Instructor, Airway Management Instructor, CPR-HCP Instructor, National Lifeguard Instructor, and Aquatic Supervisor Instructor.

The credit card form is available on our website at www.lifesavingnb.ca under Find A Form > Training Forms > Instructor Recertification.

HOW DO I PARTICIPATE?

1 At your convenience, over the two-year recertification period, accumulate three credits by participating in your choice of courses, clinics, and training programs. Credits may be selected either directly from the Credit List.

Lifesaving, Swim Instructors, Officials and Coaches may select their credits from any course contained on the Credit List. Aquatic Supervisor, Standard First Aid, CPR-HCP, Airway Management and National Lifeguard Instructors must select their credits from only those courses marked with an asterisk (*). Examiners must select at least one credit from those item marked with a (✓). Instructor Trainers must have taught an Instructor course.

2 Make sure your credit card is validated (signed and dated) and send it to the Branch office with your recertification fee. If you recertify more than one Instructor certification (e.g. Lifesaving Instructor, National Lifeguard Instructor and Standard First Aid Instructor) at the same time, you pay the base fee (\$30.75 in 2022) plus an additional fee (\$9.15 in 2022) for each additional Instructor award you wish to recertify to a maximum fee of \$60.00. If you choose to recertify these certifications at various times during the year, you must pay the base fee for each recertification.

You will receive your new Instructor card(s), valid for another two years.

3 CAN I SAVE EXTRA CREDITS FOR NEXT TIME?

No. Credits are valid for a two-year period only. If, for example, you take your National Lifeguard award on August 23, 2017, you must collect your other credits by August 23, 2019. Otherwise, the credit from the National Lifeguard award will have expired and you would be obliged to get another current credit.

LIFEGUARDING STATUS

Although it is not required, the Lifesaving Society recommends that all Instructors hold and maintain current lifeguarding status.

The Society has assigned a credit value to the courses below. The credit value and status of these courses may change as modifications are made by the organizations responsible. Because of this, and because new training programs are continually being introduced, the credit list is updated from time to time. Courses and training programs which do not appear on this list may also be eligible for a credit value. In-service and pre-season training offered by employers are often given credits. For further information, see "Not On The List? Apply" on the reverse side of this page.

Lifesaving and Swim Instructors, Coach and Lifesaving sport officials may select their three credits from any of the courses listed below. Instructors of all other programs must collect their three credits from only those courses marked with an asterisk*. Examiners must select at least one credit from those items marked with a checkmark. Instructor Trainers must have taught an Instructor course. Note: Each item or recertification of each item may be applied only once every two years. Recertification of any item listed below is worth one credit.
